

OV TIGERSHARK BITES

Orangevale Tigersharks - Swimmin' at the top of the food chain since 1999!

JUNE 2011
Vol. 7 Issue 4

MEET RECAP

Following a very wet and wild meet, we'd like to offer you just a couple of friendly reminders:

- Set up and Tear Down is assigned by last name. Please visit the team site at: www.orangevaletigersharks.net, to find when your family will need to either arrive early or stay after the meet to assist in this area.

- Tear Down should not = cleaning up your trash. Please make sure that the area around you is free of garbage before you leave for the day. It is everyone's responsibility to leave the pool in perfect condition. Leaving garbage behind or walking past it, makes the job of tearing down a lot longer.

- Hospitality is in need of more than a handful of parents donating. The team needs everyone to bring requested items for Hospitality. Please check your email for the requests.

We appreciate your cooperation in these areas!
